

# CRAFT ROOM CHECKLIST

## UNDERSTAND YOUR CRAFTING HABITS

- ☐ I identified the crafts I do most often
- ☐ I noted how many projects I work on at once
- ☐ I listed what frustrates me in my current space

## STORAGE PLANNING

- ☐ I planned storage near each workstation
- ☐ I chose drawers where tools are used most
- ☐ I decided which supplies should be visible

## IDENTIFY WORKSTATIONS

- ☐ I listed all craft activities I need space for
- ☐ I identified which stations need to be permanent
- ☐ I decided which stations can be flexible

## WORK SURFACES

- ☐ I planned more than one work surface
- ☐ I allowed space for multiple projects at once
- ☐ I included a group crafting area if needed

## LAYOUT & ZONES

- ☐ I created a blank layout of my room
- ☐ I placed workstations before storage
- ☐ I created clear zones for different activities

## SUPPLIES EDIT

- ☐ I removed supplies I no longer use
- ☐ I eliminated duplicates
- ☐ I organized what I kept intentionally

# CRAFT ROOM CHECKLIST

## FURNITURE & FLEXIBILITY

- ☐ I chose flexible or modular furniture
- ☐ I allowed room for future growth
- ☐ I avoided locking myself into one layout

## HOME OFFICE

- ☐ Dust surfaces (tables, shelves, etc.)
- ☐ Vacuum or sweep floors
- ☐ Clean windowsills
- ☐ Dust blinds or curtains
- ☐ Clean baseboards

## FINAL CHECK

- ☐ My craft room supports how I actually create
- ☐ My stations are easy to start using
- ☐ My space feels functional, not overwhelming

## CONTENT CREATION (OPTIONAL)

- ☐ I planned a simple photography setup
- ☐ I included a white surface and phone holder
- ☐ I checked the lighting for photos and videos
